CASE # \_\_\_\_\_ A B C D E

Respondent

IV-D KIDS # \_\_\_\_\_

I, the petitioner, respectfully represent to the court that I am either an individual party to this action with a lawful interest in enforcing or setting a child support obligation, or am a real party in interest because I am employed by the Department of Child Support Enforcement and have an interest in this case as a representative of that agency, and:

\_\_\_ That, according to the court record maintained by the Clerk of Circuit Court (CCAP) and or the record maintained by the State of Wisconsin Support Collections Trust Fund (KIDS), it appears that there is a child support order in effect and that said order is not being paid as required by the court, and that the payor has not been served for today's hearing, but, because there is a running child support order which is not being paid, personal service is not necessary under Wis. Stats. 818.02(5).

\_\_\_ That the payor has failed to appear for a hearing to address child support issues before the court, despite being personally served with and Order to Show Cause or an Order to Appear. Therefore, pursuant to Wis. Stats. 818.02(6), a warrant may be issued.

\_\_\_ That the purpose of the scheduled hearing is to set or revise a child support order, or to determine paternity. The proposed payor has not been served with the moving papers, but due and diligent attempts have been made by the person/entity seeking the warrant to provide accurate address information and due and diligent attempts have been made by the process server(s) to locate and serve the proposed payor.

WHEREFORE, the above-named petitioner asks that \_\_\_\_\_ be apprehended forthwith and brought before this court to answer the motion filed herein for the establishment or enforcement of a child support obligation.
